Dear Students, Parents and Carers

## Follow up to letter of Friday 8<sup>th</sup> January 2021

The Government have clarified that in order to keep communities as safe as possible that, "children of key workers should only attend school if their parents or carers **cannot work from home.**"

Thank you so much for your continued encouragements, including the message below.

*"Both my husband and I are critical workers but recognising the enormous and unique challenges that we face as a region and a country, took the difficult decision to keep our child at home during lockdown. We felt that if people don't play their part, the lockdown could go on for a long long time. This was not easy and we were worried about XXXX being alone for a long period. However, the provision has been amazing! The Zoom calls have meant that they are not alone and we are truly grateful. XXXX has been positive about their learning, has interacted with teachers and classmates. Thank you so much! Keep it up! You're doing amazing work and bringing hope to people in lockdown. Thank you"*

As a result, we need to reduce the numbers of students in school. If you do fit the critical key worker categories please complete the following survey if you have not already done so by midnight on Tuesday 12<sup>th</sup> January 2021.

In case you missed my email of Friday 8<sup>th</sup> January regarding the urgent need for changes please find it attached with this communication.

Let us continue to work together as a community in the words of John Wesley,

*Do all the good you can,  
By all the means you can,  
In all the ways you can,  
In all the places you can,  
At all the times you can  
To all the people you can,  
As long as ever you can.*

Yours faithfully
