

Dear Parents / Guardians,

My name is Emily Skinner and I am a College Adviser at Exeter College and the main contact for St Peter's C of E School. My role in school is to help students with their preparations for joining Exeter College after their GCSEs. I can help with queries regarding the courses on offer, entry requirements, the application and interview processes, travel, and the Exeter College academies, as well as student life and apprenticeships. Students will see me in school during assemblies, in one to one information, advice and guidance appointments, and I will also be available during parents' evenings. All Year 11 students will receive a copy of the new School Leavers' Course Guide 2021/22 in September, and more detailed information is available on our website: [www.exe-coll.ac.uk](http://www.exe-coll.ac.uk). You can also visit my YouTube page as follows, which will be updated throughout the year with useful videos: [bit.ly/CollegeAdviserEmily](https://bit.ly/CollegeAdviserEmily)

Exeter College will be holding several open events throughout Year 11. These events are a great opportunity to learn what Exeter College has to offer. The dates of these events are as follows, and students can register to receive further information about timings and format on our website <https://exe-coll.ac.uk/open-events/>.

- Wednesday 14<sup>th</sup> October 2020
- Wednesday 18<sup>th</sup> November 2020
- Tuesday 19<sup>th</sup> January 2021
- Tuesday 20<sup>th</sup> April 2021

We will be holding interviews on a monthly basis at Exeter College from November onwards. Although the application process will remain open throughout the year, we recommend that students submit their application as early as possible (by the end of January 2021) to then allow them to focus fully on their exams. Students can apply online through the Exeter College website from mid-September onwards, or obtain a paper copy of the form from the school.

Please do not hesitate to contact me using the details below should you have any questions regarding Exeter College throughout the academic year.

Yours sincerely,

Emily Skinner
