Dear Parents and Carers

Thank you for your ongoing support this half-term. As a staff we really appreciate how hard it can be to keep home schooling going as many of us are also engaged in home schooling our own children or caring for dependants whilst also working. I am grateful for everything you continue to do to support and motivate your children with their learning.

It is becoming clearer that it is likely that we will not see Year 7, 8 and 9 in school this term, with only a possibility of a partial increased opening to Year 10. Until we receive the much anticipated DofE guidance for secondary schools we cannot be certain of the provision that we will be able to provide but a lot of work is going on behind the scenes as we review and consider provision for Year 10 in-school and enhanced online provision for all year groups.

I will of course update you of any developments as soon as I am able to.

Communication Pathways – An Important Reminder

In these testing times we recognise that communication is more vital than ever. To that end, we are producing a weekly video update which will be posted each Friday on our website and social media. If you have missed any episodes, you can watch them here:

We will continue to communicate to you via letters but we hope and pray that our weekly videos keep you up-to-date and well informed.

Communication Pathways Continued:

We are trying to communicate in clear and concise ways that don't bombard you. Below is a guide that we trust will help you and us share key information.

- **Subject Learning** – please email subject teachers if you have specific questions
- **Welfare needs** – please email tutors if you have specific questions
- **Text, Social Media, Website, Email and Letters** – we will try to keep these to a minimum with just key information so as not to overwhelm you

Yours faithfully
