Dear Year 7 Parents and Carers

## Important Information for the Start of the Spring Term

I am writing to you to request that you kindly share information with us via the Google Form link below. This is to help us support the Government announcement provided to schools at late notice on 17<sup>th</sup> December. The information you share with us will inform us of whether or not your Year 7 child should be in school with us during the first week of January or be remote learning from home each day.

The Government definition of Key Critical Worker and Vulnerable students can be seen in this link and we will be working with these definitions.

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

If you fit into the following categories:

- Key Critical Worker
- Vulnerable Student

then we expect you to be in school in the first week of January starting on Tuesday 5<sup>th</sup> January and all other Year 7 students will work from home remotely with their tutors and teachers. Please see the email regarding remote learning for further information.

We will of course update you as soon as we can should there be any further changes.

**Please complete the google form linked [here](#) by midnight Saturday 2<sup>nd</sup> January.**

Yours faithfully

Phil Randall  
Headteacher
