5th June 2020

Dear Yr 7, 8, 9 and 10 Students, Parents and Carers

This letter is particularly meant for all of you who at the moment we sadly are not able to have on site. This letter does also have messages for everyone else too. We haven't forgotten you and hope and pray that you are well.

Lockdown Life Skills

Please find attached the latest version of Lockdown Life Skills and do keep sending us your stories from these, as well as suggestions for future Lockdown Life Skills.

Enhanced Online Resources

Now that we are satisfied that appropriate safeguarding measures are in place we are looking forward to offering enhanced on-line provision.

The creation of pre-recorded clips by staff are currently being explored to provide additional support in introducing, explaining or demonstrating lesson content. This won't replace the type of lessons that are set but will provide an alternative method of delivery alongside existing online lessons. Students will start to see an increase in teachers using this style of pre-recorded resource in their Google Classrooms from the 15th June. Initial feedback from staff, students and parents who have trialled these approaches have so far been very positive in enabling more of our learners to engage much better with the online learning. We hope that the introduction of these resources will benefit all of our students in the coming days and weeks.

Well done for all you are doing to contribute positively to your school work and family life. We know it is not easy for any of us. Making wise and compassionate choices will help with all you do around your homes.

Best wishes and take great care.

Yours faithfully
