Dear Students, Parents and Carers

## Learning Enrichment Week 2021 for Years 7, 8 and 9 (w/c 19<sup>th</sup> July 2021)

I would like to give you some information in advance regarding the Learning Enrichment Week day trips. In accordance with advice issued by the DfE, Schools can resume day trips and visits, and we are planning accordingly.

### Year 7

We plan to offer our Year 7s an Enrichment Week of day trips to make up for the activities they missed on their Year 6 Residentials, and the Year 7 overnight Escot Team Building Trip. The cost, to be confirmed, will be subsidised and students will also have the option of a free of charge in-School Enrichment Week, of enhancing activities.

### Years 8 and 9

We cannot unfortunately offer the Rhineland Residential to Year 8, however they will still be able to take part in an amended Year 8 and 9 Learning Enrichment Week (in separate bubbles), details to follow after Half Term.

Normally, LEW takes place in the form of themes, e.g. Art, Sport, Media. To protect the bubbles, we will offer 6 theme options per year group.

**Year 8** will have the options of:

- Conservation Week
- Craft Week
- Football Week
- My World Week
- Outdoor Ed Week
- Photography Week.

**Year 9** will have the options of:

- Art Week
- Bake Off Week
- Media Week
- My World Week
- Science Week
- Sports Week

This ensures that we have enough spaces to meet the Year Group numbers, whilst providing a selection of both active and more gentle activities, along with cost range from £0 to £145.

Further details will be sent after half term.

Yours faithfully

Phil Randall
